

Looking for the Right Boat?

Carlyle Sailing Association (CSA) hosts an outstanding variety of boats for many different types of sailing. We also offer a range of fleet activities -- from junior and youth sailing to an advanced racing program -- to help you discover what kind of sailing is right for you.

Your choice of boat will depend on the type of sailing you want to do and your level of skill. Most boats are easy to learn.

Inside this brochure is a table comparing some of the boats you will find at CSA.

Feel free to contact the folks listed. They'll be glad to help you get started.

Here are some of the boats you might typically see at the Carlyle Sailing Association. They vary in size, sailing style and price.

For more information, refer to the table inside this brochure and visit the websites for each boat.
