

This certificate entitles the bearer to a three-hour

Sailing Lesson

at the Carlyle Sailing Association

during the 2018 sailing season

At the end of this three-hour lesson, the student should be able to tack, jibe, depart, dock (or beach in the case of catamarans) and know the basic right-of-way rules. After three hours, the instructor will step off of the boat and there will be time to practice what was just learned. Associate Members can use one of their five free boat rentals. All lessons will be on rental boats unless the student owns a boat and wants a lesson on that boat.
