

CSA Regatta Information & Equipment Request Form

Name of Regatta: _____ Regatta Date: _____

Race committee equipment will be loaned to the various CSA fleets with the prior permission of the CSA race committee chairman. Your regatta chairman is encouraged to discuss the use and handling of this equipment with the CSA race committee chairman. **Please observe the rules:**

1. All equipment will be returned in the same condition as when loaned. Fleets will be billed for any damages beyond normal wear and tear.
2. Only qualified CSA members may operate CSA race committee boats.
3. All equipment, except for one whaler and a set of marks SHALL BE returned by 10:30am on Sunday so that CSA races can start on time. Any deviation from this rule for special events requires written petition to the CSA Commodore prior to the start of the regular CSA racing season.
4. Please review the "CSA Regatta Policy" in the CSA handbook.
5. Please return this form as described at the bottom of this page.
